Ball Team 2019 Charity - American Parkinson Disease Association

The American Parkinson Disease Association nationwide network provides information and referral, education and support programs, health and wellness activities, and events to facilitate a better quality of life for the Parkinson's community. It is this grassroots structure that distinguishes APDA from other organizations serving people with Parkinson's disease. Through our nationwide system of Chapters and Information & Referral (I&R) Centers, APDA uniquely delivers education, support, and patient services to Americans with Parkinson's and their families in your community each day.

The focus of Ball Team is on corporate, third party and individual construction projects. Our strength lies in our ability to work closely with our contractors and craftsmen to exceed our client's expectations. We'd like to help you with your next project.
