RECENTLY AWARDED PROJECTS

WDMCS Stilwell Gym Remodel / West Des Moines, Iowa

This project will be a 12,000 square foot renovation of existing gym, offices, and multi-purpose room at Stilwell Junior High School. The project scope includes new flooring and paint throughout, as well as refinishing the wood gym floor and installing new telescoping bleachers.

Clarke Co. Hospital Respiratory Clinic / Osceola, Iowa

This project consists of a complete tenant build-out of shell space in the existing hospital facility. The new space will be equipped with a lab, exam rooms, offices and a procedure room.

Clarke Co. Hospital Addition/Renovation / Osceola, Iowa

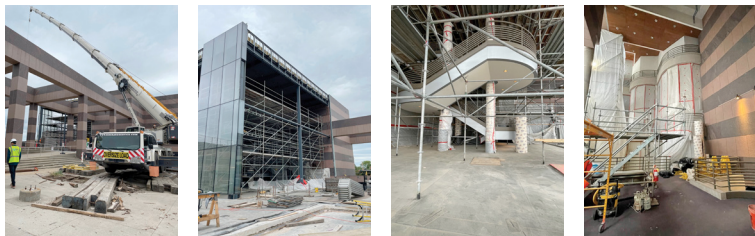

This project consists of 13,360 square feet of additions and renovations. Areas included in the project consists of pre- and post-surgery, new kitchen, renovation of the dining/conference rooms, patient deck on 2nd floor, materials management expansion, and a new parking area.

DM Golf & Country Club - Lobby Reno / WDM, Iowa

This project consists of renovating the current lobby space. The space will be updated with new lighting, flooring and trim work throughout, as well as a new wood panel feature wall and ceiling. The reception desk will also receive new stone, giving the space a modern and sophisticated look.

PROJECTS UNDERWAY

State of Iowa Historical Building / Des Moines, Iowa

Ball Team is completing a skylight and roof replacement project on the State of Iowa Historical Building. The new curtain wall is currently being installed. Interior work will begin once the curtainwall installation is complete and the space is water tight. The terrace level will receive new roofing and paver layout this spring and summer.

Buff City Soap / Multiple Locations

Ball Team is continuing work with Buff City Soap projects. Current Buff City Soap locations that are underway include Davenport, with a new location in Mankato, Minnesota starting later this summer.

Marshalltown Lofts / Marshalltown, Iowa

This project is now in the finishing stages. Items in progress include flooring, painting, appliances, doors, trim and base. We are also working on finishing up the outside paving, with the site landscaping starting soon. Completion of the project is scheduled for early August.

The James / Des Moines, Iowa

The James on Grand is a new Active Adult apartment building. The roof was recently finished with windows & patio doors being installed. MEP rough-in continues with drywall starting in early July. The project is scheduled for substantial completion and occupancy in early 2023.

St. Joseph Catholic School Addition / Des Moines, Iowa

This project is scheduled to start this fall. The addition to the existing school will be 2-stories. The lower level includes two pre-school classrooms, Gymnasium/Parish Center with bleachers, changing rooms, athletic office, restrooms, entrance lobby and addition to existing kitchen. The upper level will include three new classrooms, restrooms and locker space.

Fareway Self Check-Outs / Multiple Locations

Ball Team has been on-the-move to several Fareway locations in Iowa the past few months creating self check-out lanes.

DMCS Addition & Renovation / Urbandale, Iowa

The exterior shell is nearing completion, as brick veneer and aluminum storefront windows have been installed. The addition spaces have been framed and drywall has been hung. A portion of the existing school is getting a face-lift over the summer months. Selective demolition has started and renovations will continue until school starts.

The Slate / Des Moines, Iowa

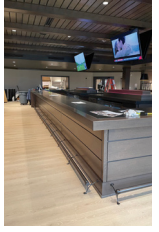

The Slate is an active adult apartment complex being built near Gray's Lake. Currently the cast-in-place foundation walls with precast planks, columns and beams that make up the underground parking structure have been completed, as well as the CMU elevator shafts.

RECENTLY COMPLETED PROJECTS

Tifereth Synagogue Mikveh Addition | Des Moines, Iowa
Buff City Soap | Cedar Rapids & Burlington, Iowa

DM Golf & Country Club - Phase II | WDM, Iowa

Fareway Meat Market - Beaverdale | Des Moines, Iowa

NEW TEAM MEMBERS

Emma Sodders

Emma is recent graduate from Iowa State, and is a Project Engineer for Ball Team. She enjoys the sunshine and spending time with friends and family. She has two dachshunds, Marley and Elvis, that also enjoy the sunshine. Her hobbies include golfing, shopping and supporting the Cyclones...Go State!

David Seward

David is joining us at Ball Team for a summer internship. He is from Chicago, Illinois, and is currently studying Civil Engineering at Iowa State. He enjoys metal working and machining, playing sports and getting outdoors. He is a White Sox fan, but, enjoys going to the occasional Iowa Cubs game.

Braeden Katcher

Braeden is joining Ball Team as a summer intern this year. He is studying Civil Engineering - Construction/Structural at the University of Wisconsin - Platteville. He is also the quarterback for the football team. His hobbies include Golf, Fishing and Football.

Will Cooper

Will is joining Ball Team for the summer as part of our labor crew. He likes to hunt, fish, run, golf, and lift weights. When he's not working at Ball Team, he is at Scheels as a Customer Service Associate. His favorite thing about Ball Team so far is the team aspect and there is a new task everyday to stay busy.

BALL TEAM 2022 CHARITY PARTICIPATION

Ball Team continues to direct our charity focus to The American Parkinson Disease Association. The APDA nationwide network provides information and referral, education and support programs, health and wellness activities, and events to facilitate a better quality of life for the Parkinson's community.

The focus of Ball Team is on corporate, third party and individual construction projects. Our strength lies in our ability to work closely with our contractors and craftsmen to exceed our client's expectations. We'd love to help you with your next project.
